

FOR LIVER DONORS

**Removing Barriers to Donation
by Protecting, Supporting and
Assisting Donors**

NATIONAL LIVER REGISTRY
FACILITATING LIVING DONOR TRANSPLANTS

Donor Protections Assistance offered through the National Kidney Registry's Donor Shield

Lost Wage Reimbursement

- Reimbursement up to \$2,000/week for up to 6 weeks (weeks 3-6 require approval from transplant center)
- SSN or EIN and documentation to support employment and income is required
- All reimbursements are made within approximately 10 business days after submission of proper documentation
- Reimbursements made via ACH

Legal Support

- Free legal support for issues directly related to liver donation
- Help fighting unlawful employment termination or discrimination by health or life insurance companies

Reimbursement for Travel, Lodging and Dependent-Care Costs

- Reimbursement for travel and lodging expenses for the donor and a caregiver
 - Covers transportation (taxi, ride share, car rental, parking), mileage (IRS medical mileage rate) and lodging
 - Receipts for all travel costs are required for reimbursement
- Reimbursement for dependent-care costs for a child or adult dependent of the donor
 - Covers child or adult day care, before- and after-school care, in-home care and summer day camp
 - Receipts are required for dependent care provided by a care facility. If care is provided through an individual and a receipt for services cannot be produced, the donor will be asked to sign an affidavit as part of the reimbursement process
- All post-donation reimbursements are made within approximately 10 business days after submission of receipts
- Reimbursements are made via ACH. Bank routing number and account number must be provided for reimbursement[†]
- Donors are eligible for reimbursement of donation-related travel, lodging and dependent-care costs up to a maximum of \$5,000

[†] ACH payment will come from the law firm of Smith Carroad Wan & Parikh, P.C., which has been retained by the NKR to manage the Donor Shield reimbursement process.
